Jimmy V Celebrity Golf Classic 2009 Volunteer Application

The following describes the main areas of volunteering. All volunteer positions require MANDATORY training that will be conducted by the corresponding coordinators. Schedules for training will follow in your volunteer newsletter and on the golfclassic.org web site.

MARSHAL: This volunteer position is assigned to a specific hole and a specific section of the hole (tee, fairway, green). The responsibilities include, but are not limited to, controlling spectator noise during play (displaying "QUIET" or "HUSH" signs); ensuring spectators do not cross the rope boundaries, assisting players in finding golf balls, answering course specific questions for spectators. This volunteer will be needed on Sunday only.

ON-COURSE SERVICES: This volunteer position delivers food and beverages for volunteers and players. Organize and distribute volunteer lunches on Saturday and Sunday. Delivers beverages on course on Saturday and Sunday.

SECURITY: This volunteer position can be assigned to many different areas. The primary responsibility is securing the golf course grounds and all other events associated with the JVCGC week and weekend. This volunteer will be needed on Saturday and Sunday. Additional assistance will be needed on Thursday and Friday. The coordinator will contact volunteers who are needed for Thursday and Friday. This job is physically demanding and requires being outdoors and prolonged periods of standing or walking.

SPECTATOR HOST: This volunteer position is assigned to the spectators (of course!). The responsibilities include, but are not limited to, assisting spectators on the golf course by being an accurate source of information (location of each of the three courses, celebrities, bathrooms, food area, etc.), assisting lost children, assisting in crowd control (ensuring spectators adhere to boundaries, for example). This volunteer may also be assigned to ride the busses from the remote parking areas or ride the trams during The Classic. This volunteer will be needed on Sunday only.

STANDARD BEARER: This volunteer position is assigned to a golfing team. The primary responsibility is to accompany the golfing party to which he/she is assigned, carrying a sign that lists the players' names and scores (known as a "standard"). This position requires WALKING the entire course and carrying the sign for easy viewing by the spectators throughout the entire round of golf. This volunteer will be needed on Sunday only.

OTHER: Other volunteer positions are associated with hosting sponsors and celebrities, or events such as the silent auction and other events during the week of The Classic not specified in the above descriptions. Please note that, due to the nature of these positions, most openings have been reserved for volunteers who have been participating in The Classic for several years and/or who have already been contacted by a coordinator requesting their participation.

WAIVER (Must be signed and dated in order to accept application):

I hereby declare that I am at least 16 years of age and acknowledge responsibility as an approved volunteer in connection with my duties at the JVCGC. I commit to attending the mandatory training session to be scheduled by my coordinator, and I agree to follow all guidelines, rules and regulations associated with my volunteer position. Please be aware that the North Carolina Workers' Compensation Act does not cover injuries to volunteers, including those persons who participate as volunteers during the Jimmy V Celebrity Golf Classic.

In the event I am assigned at any time during The Classic the responsibility of driving a golf cart, I understand that I must comply with all golf cart rules and regulations and agree to obtain such documents. I further understand that I am completely responsible for the cart assigned to me and will not, at any time, leave the cart unattended with the key in the ignition.

If I do not comply with any of the rules and regulations set forth by the JVCGC, I will lose my privilege to continue participation as a volunteer in The Classic and will be escorted off of the premises immediately by the proper authorities.
